“ Tina, Barrett always made sure he shared your Tamales when you made them. My family loved them! He had his way of caring for those he cared for. His PW /Softdent family all shared a very unique bond and he will not be forgotten!!

“ Whenever someone mentions Barrett's name or I would see him at work I would think of his PracticeWorks raffle haircut. That guy had some wild hair back in the day. :-)

Nikkel Family- I am so sorry for your loss. May God wrap his arms around you as you grieve. Gone too soon. RIP Barrett.

“ He was my favorite Team Lead. He was kind & helpful. My best memory of him was me being pregnant & him checking on me, insisting on me taking breaks, holding open the doors etc. As soon as my baby was born he was back to his teasing & roasting self. I swear every conversation we had started with 'are you pregnant? & how many kids to you have now' but it was all in love! Sleep on my friend.

“ Best manager ever. He valued "Truth" above all else and his style made a huge difference in the trajectory of my career. Way too soon for him to pass. My thoughts are with those who loved him.
