“ Cathy was my cousin, she sang at my mom's (Frances Vaughn) funeral. Her beautiful voice and deep faith moved me to tears. She was a sweet soul and will be missed. My thoughts and prayers are with the rest of the family. May she rest in peace.

“ She will be greatly missed!
She was a kind & passionate woman of God. I will always remember her singing for the Lord ! She was always encouraging and uplifting for anyone to talk to, and was always there to have prayer with anyone in need a prayer. I feel blessed that I had her in my life as a sister-in-law and a sister in Christ!

RIP My Loving Sister though you will be missed here, I know you are singing in the Heavenly Choir!

For you once was an Angel on Earth and now you are a Angel in heaven forever more!

I will Love you always

Your sister-in-law

“ Cathy was like my sister when we was growing up together. She would get together with me, Tina, Johnny, my kids, Donald, mom and dad. We would sing songs, eat, drink coffee, color and cat around. I remember one time when we was young she took me out to learn me how to drive and I almost went in the lake near her mom's house. She told me she would never teach me again but she did. She would get mad at me and call me a brat, but she always would hug me tell me she was sorry for calling me that. She had a great singing voice and love god with all her heart. I would have love to see her one more time, but it did not work out that way. When Cathy and Tina came to see us the last time it was about 10-years or so ago. I so enjoyed them being here. When I smell White Shoulders I always think of her. Love you Cathy and will miss you. Janice (Ford) Milligan
