“ Frances has played an important part in my life, and that of my family for over 50 years. She has been an amazing neighbor, along with the rest of her family, to my Mother & Father and myself. She has been a wonderful, loving, kind friend to my Mama, and a "co-Mom" to me while I was growing up. I never recall a time that Frances did not have a smile and a laugh for everyone. I am so grateful for the blessing of her life, and will miss her so much.
